Guide to BOI Applications

November 2022

Dear Reader,

A promotion through the Thai Board of Investment (“**BOI**”) is an interesting and frequently used way for foreign investors to do business in Thailand.

We have summarized the main requirements for a BOI promotion in this brochure. Nevertheless, BOI applications require diligent preparation, so this brochure is only a rough guide with general information. For additional information, you can access the official 2022 BOI Investment Promotion Guide under the following link: https://www.boi.go.th/upload/content/BOI_A_Guide_EN.pdf

Please also note that despite our best efforts to provide accurate information, we cannot assume any liability for the contents of this brochure. We reserve the copyright for the brochure and its entire content, but copies under mention of the authors are welcome.

Thank you for your interest.
