INTRODUCTION TO OUR PUBLICATIONS

1. L&P Newsletters [NL]

Our newsletters are regularly distributed publications aiming to keep you up to date with the latest legal developments in Asia. Newsletters are covering various topics which might be of interest not only to our clients but to others investing in Asia as well.

2. L&P Brochures [BR]

After many years of experience with counselling and managing companies investing in Asia and working together with public authorities, we have outlined the collected information in our brochures. Each brochure contains in-depth information about one major topic and points out important facts that have to be taken into consideration before entering the Asian market.
