Bankruptcy and Business Reorganisation in Thailand

Law, Procedure and Forms

January 2015

Dear Sir or Madam,

The following brochure is meant to be a short summary of the Thai bankruptcy law and business reorganisation procedures.

We are aware of the fact that it can only be a first step to describe the complex forms of a very crucial part of the law. However, we hope that this information can be useful for your further decisions.

Generally speaking, Thai Bankruptcy Law and its procedures are often quite similar to the procedures you are familiar with, but, as you know, important details can be different. Thus, we advise you to proceed carefully, with far-sightedness and professional consultation.

Lorenz & Partners Co., Ltd. is a German-Thai firm of business lawyers, existing with an office in Bangkok since 1995 and specializing in legal and business consultation of foreign companies with respect to their investment in Southeast Asia.

Please allow us to inform you that despite all our efforts we cannot accept liability for this brochure and its contents and we reserve all rights derived from it. However, copies of this brochure with reference to its author are welcome.
