*All economical figures according to the international monetary fund (IMF), the World Bank and the Economist.

II. Opportunities and Challenges

Opportunities

- Fast developing economy
- Low labour costs
- Tax and other incentives, such as exceptions from import duties, exceptions and deductions of VAT
- Majority of sectors open to 100% foreign investment
- Fast developing infrastructure
- Politically stable

Challenges

- Cumbersome and not always transparent administrative procedures
- Slow authorities
- Corporate espionage
- Aging population
- Fluctuating legal regulations

III. What we do in China

Through our cooperation with the well known Chinese law firm R&P China Lawyers located in Shanghai we are able to provide the full range of legal services. In the past our law firm has assisted a great number of German and European enterprises in all legal queries concerning China. We do:
